## BRIDGE THE GAP

### GIFT OF TREASURE

The Parish's Stewardship Program this year will be to BRIDGE THE GAP between what our church is and what it could be, as we seek to further Christ's message through the work of our church. It focuses on giving time to your personal spiritual growth. It stresses offering our talents to assist and grow the ministries of our church.

It strives to encourage sacrificial and joyful giving in order to not only fund our ministries and sustain our church but to be able to make meaningful contributions and both Orthodox and non-Orthodox charities.

The ultimate goal of the St. John the Baptist Stewardship Program is to Bridge the Gap of the operating budget through stewardship and eliminate dependence on the Greek Festival revenue and other major fundraisers to meet operating needs. Funds raised from these events may then enhance the budget and be used to eliminate our mortgage, upgrade our facilities and philanthropic efforts.
